Hi Undine –

I have some time this morning if you'd like to discuss the 308 letter.

Hi Damien,

Happy holidays!

If you have some time this afternoon, would you like to check in about the MBTA CRMF? At this point I think it makes sense to draft a 308. I may be able to get a draft of a 308 to you by late next week based on information George P., Cathy, Joe Nerden and I have already discussed.
